DET Reporting Policy

Rationale

The school strategic plan and annual report are key elements of the Victorian Department of Education's Accountability framework that acknowledges that effective schools regularly evaluate school and student performance and use this to plan for improvement as a matter of course.

Under the DET guidelines School Council guided by the Principal adhere to completion of the following reports as per recommendations set by DET.

The school strategic plan so to enable everyone in the school to know what the school is aiming to achieve over the next four years and how it intends to achieve the goals, targets and key improvement strategies identified to support improvement. (Review year 2022)

The school annual report is to inform parents and the wider school community of the school's successes, activities and achievements throughout the year. Annual reports are endorsed by School Council and made available to the school community. Ardmona Primary School reports are available via https://www.myschool.edu.au

Update of School policies which outlines the approach and procedures undertaken by the school to meet various needs. Policies provide guidance for our staff and community, and promote a consistent whole-school approach and accountability. These are amended and updated based on DET recommendations, updates and per alignment with the schools review process.

Polices are to be updated on to the schools website annually. Policies accessible via the schools web page. https://www.ardmonaps.vic.edu.au/
